*it's taken ages to get us to this point. Finally, we have a British rum, made from Scratch that has been matured for a significant number of years. It has been double distilled, with the rum matured in whisky casks between distillations. It was transferred to ex-bourbon casks and new oak casks where it was aged for three and two years, respectively. This was then blended to create our first Patience Rum*

**Scratch British Rum - Faithful | 5**

*a single rum unaged and unadulterated. Notes of molasses, vanilla and cinnamon. Inspired by the best Jamaican white rums, Faithful Rum is our take on the traditional white rum. We run a long, slow molasses ferment, which helps develop and build a complex flavour profile. We then double distill this in our pot still, taking only the hearts. It is then blended with our natural water and bottled. Completely unaged and unadulterated*

**Scratch British Rum - Golden | 5**

*a single rum matured in new oak casks and rested in glass. It carries notes of caramel, cinnamon and toffee apples. This rum won a bronze medal at the 2019 IWSC. A versatile spirit for cocktails or sipping, it makes a mean Jungle Bird. No added sugar, caramel or naughty colourings*
